

# West Campus Garage (WCG) Gateless

---

# What is WCG Gateless?

- Parking gate arms at all the entries in WCG will be removed
  - Customers with any valid Texas A&M parking permit (AVP)
  - Visitors will pay upon arrival to park (ParkMobile)
-

# Why are we removing the gates?

- Enhance customer experience.
  - Ease parking for NSC attendees
  - ***Past issues experienced:***
    - System reads toll tags first
    - Inability to scan QR code for entry or exit
-

TEXAS A&M  
UNIVERSITY

# How will customers know what to do?

# NSC Customers?

- Attendees will receive emails
    - New Student Family Programs
    - Transportation Services
  - Permit receipt will remind them where and how to park
-

# When will gates be removed?

- May 15 through August 12
-

# How will you make sure people are parking and paying properly?

- Monitor the parking garage through license plate recognition – just like our other lots
-

# Will the gates be removed permanently?

- No. The gates will be in place August 13
  - We will evaluate the new process and determine the feasibility moving forward
-

**Thank you!**
