Fall 2020 Transit Updates
Topics to Discuss

- Timing changes on routes during peak traffic and adding service to match demand for the start of the semester

- School of Public Health (SPH) stop, including changes to Routes 02, 03 and 47

- Relocating stops from Old Main and MSC to utilize area in front of the 21st Century Classroom Building
Timing and Service Demand

- Adjust timing of schedules to accommodate peak traffic congestion during morning, noon and afternoon periods to improve on-time percentage and service reliability.

- Match service to ridership demand for the first 4-6 weeks of semester based on historical ridership data.
Service for SPH

- Service from SPH moves from Route 02 to Route 03
- Stop moves from circle drive to Adriance Lab Road
- Install bus shelter at new stop location
- Reallocation of drivers and bus from Route 02 to Route 03 for more frequent service
- Connection from SPH to HSC with Route 47 at the MSC
Route 02 - Current

- Service to Fish Pond, SPH, Agronomy, F&B, HSC
- 1 Eldorado bus
- Service every 40 minutes
- The SPH stop averages 40 passengers per day
Route 03 – Current

- Service to White Creek, NCTM, Vet School and MSC
- Service every 6 minutes
- Five 40ft buses
- Route with highest ridership on campus
New Route 03 – SPH Stop

- Stop on Adriance Lab Road with bus shelter
- Service every 5-6 minutes
- Increase to 6 buses
- Service to HSC by transferring to Route 47 at MSC
- Route 03 and 47 MSC stop locations close to 21st Century Classroom Building
- Adding stops along Agronomy, F&B and HSC Parkway and at HSC
- Servicing all stops from Route 02 except SPH
- Adding stop on RELLIS campus for new Workforce Building
- Service between buses increases from 20 minutes to 23 minutes
MSC Bus Stops
